Opening Conversation Starters

- Share a meal together.
- Share an experience from your daily devotions (How is God at work in your life?)
- Share a take away from the Weekend Message (What has God been saying?)

Discussion Questions from Weekend Message (To help you hear *and* practice)

- What are the “undesirable chores” around your house? Who takes responsibility for them?
- Read [Philippians 2:1-14](#). Pastor David pointed out the 4 questions Paul asks in verse 1. What are they? Take some time to share how you might have experienced each one.
- In verse 2, how does Paul describe what unity looks like? How does experiencing what the 4 questions above pointed out help develop unity?
- How does verse 3a describe how unity is broken? Discuss how these attitudes can break unity. Do you have an experience in your life that you would like to share that illustrates this?
- Verses 3b-4 describe how unity can be restored and maintained. How can you “consider otherers better” without becoming a doormat?
- What are some ways you have found to balance meeting other’s needs with meeting your own?
- What does verse 14 suggest that will help us maintain unity? Why does this help?

Prayer Time

It is possible that someone in your group or someone you know is in a tough situation right now where there is a lack of unity between believers. If you are willing, share that situation with your group. Take some time to pray for this broken unity, and that God will guide this situation and your group to ways you can support each other, and help restore unity.

Rhythms of Discipleship

A very powerful tool that can help us to “consider others better” is to find ways to serve them. CrossCity offers many volunteer service opportunities for both individuals and groups. Talk about ways you can volunteer together! For ideas, go to our [Life Groups Website](#), [Leader Helps](#), [7 Rhythms](#), [Sacrificial Generosity](#).
