Discussion Questions from Weekend Message (To help you hear *and* practice)

- Pastor David shared the cure for doubt this weekend from Acts One. When have you struggled with doubt?
- Pastor David gave us five convincing proofs that Jesus was raised from the dead. According to [1 Corinthians 15:16-20](#), why is it important for us to be confident that Jesus was raised?
- Read [Isaiah 53:9-11](#). How does this prophecy point to the fact that Jesus was raised from the dead? What other prophecies about Jesus are you aware of that help you believe?
- How does the fact of the empty tomb help you believe? What are some of the other explanations for why the tomb was empty, and why don't they measure up?
- Read [1 Corinthians 15:3-8](#). How does Paul (who did not witness Jesus' ministry) point out the importance of the eyewitnesses?
- What has been the consistent message of the Church which is spelled out in these verses: [Matthew 4:17](#), [Luke 24:44-48](#), [Acts 2:22-39](#)?
- How realistic is it to say that these eyewitnesses were really just lying about Jesus?
- Which of these exhibits of evidence is most powerful for you?

Prayer Time

Pray for each person in your group to have their doubts replaced with faith. Think about someone in your life that has doubts or isn't a believer in Jesus yet and share their name with your group. Spend some time praying together for these people, that you might have an opportunity to share your story and what you believe with them.
