Celebration

- Read [Acts 2](#). Pastor David shared some habits of healthy believers that we find here. We will also see them in the 7 Rhythms of Discipleship.
- Peter shared an amazing message with the large crowd gathered from all over the Middle East. How could his audience validate the message? (2:22,32)
- How had their experience that day verified what Peter was saying? (2:5-16) How do we know that people accepted his message? (2:41)
- Acts 2:42 says the early believers were devoted to the apostles teaching. What has helped you accept the truth of the Bible? Do your daily devotions reflect that?
- Acts 2:42 also says the early believers were devoted to prayer. What do you think that means?
- What was Peter's instruction in 2:38? What was your experience of repentance like? Your experience in Rooted of freedom from strongholds?
- How do each of these first 3 Rhythms help you apply the Bible to your daily life?
- How does 2:44-45 illustrate the practice of serving and generosity? How do you think Jesus' example in [John 13:12-16, 34-35](#) influenced how they lived?
- The early church grew quickly (2:47), but there was no New Testament for several hundred years. What do the following verses show us about the importance of our story when it comes to sharing the Gospel: [Acts 2:32](#), [John 21:24-25](#), [Luke 1:1-4](#)?
- How do [Acts 2:46-47](#) reflect the value of community, celebration, affirmation, and worship? How does community help us live out the last 4 Rhythms?

Prayer Time

Pray for each other to apply God's word to their lives and to not get out of the habit of meeting together (church and life group) as schedules change in the summer.

Rhythms of Discipleship

As summer approaches, it could be a good idea for your group to take some breaks. Which of the 7 Rhythms of Discipleship might need a little more attention before you take a break? There are some ideas on our [Life Groups Website](#), [Leader Helps](#), [7 Rhythms](#).
